Hyde Park

We offer instruction in the Korean martial art of Tang Soo Do.

All new students start with free Introductory Classes. Take a look at the Introductory Class schedule below and let us know when you'd like to come in and give it a try!

Introductory Classes

New students start with a series of introductory classes. These are shorter (30 minutes) than the regular classes and allow students to work through the basic techniques and learn the etiquette before moving into regular classes. Generally, the period of attending intro classes lasts around 3 weeks, but varies based on the individual student, how quickly they learn, and how often they can attend.

Appointments for Intro classes can be made at the following times:

Monday-Friday 4:00 - 4:30 pm (for younger kids)

Tuesday-Friday 7:30 - 8:00 pm (teenagers/adults)

Saturday 12:00 -12:30 pm

Regular Classes

Once the student is ready to "graduate" to regular classes, they can attend up to 6 days a week, with classes available every day but Sunday. Attendance at least twice per week is strongly recommended in order for the student to get exposure to the variety of exercises and enough repetition of techniques.

Pricing

Pricing for unlimited classes is

- \$130 per month for one student
- \$195 per month for two students
- \$260 per month for three students
- \$325 per month for four students

If paying on a per-class basis, the cost is \$16 per class.

Payments can be made via contract that auto-bills monthly (for the unlimited), Zelle (773-490-4882), Venmo (@krdegnan606), or via Square swipe or invoice.

There is a \$35 registration fee for all students.

A new student will also need a uniform, which is \$35-\$45, depending on size.
